Middle College (Year 7 - 10)	1005
Senior College (Year 11 - 13)	1016
Boarding Students	108
Total	2021

COLLEGE HIGHLIGHTS

Special Character

65th Jubilee

Over the weekend of 16 – 18 March Saint Kentigern College celebrated its 65th Jubilee. The weekend events provided an opportunity for Old Collegians and previous staff to reconnect and reminisce. The weekend finished with a wonderful chapel service reflecting on where we came from.

Chapel of Saint Kentigern.

Annual Presbyterian Schools Rugby Quadrangular

For three days during the April holidays, it was Saint Kentigern's turn to host fellow

Presbyterian school teams, Scots College, St Andrew's College and Lindisfarne College.

The Quadrangular began with a special ANZAC Chapel led by our Chaplain, Reverend David Smith.

At the team dinner we were very fortunate that instead of one guest speaker we had two All Black coaches Grant Fox and Ian Foster interviewed by TV's Scotty Stevenson. It was interesting to note when talking about the culture they work hard to develop and grow with the All Black team, they don't talk about the team being humble as that is expected, but what they do talk about a lot is being grateful.

Service

Every year our students are actively involved in Service both at a local level and internationally.

This year we sent five service teams abroad during July. Two Middle College teams headed to Cambodia with World Challenge while the Senior College sent two teams to Vanuatu (Year 12 students helped at a village school while Year 13 students built a house). Another Senior College trip travelled to Malawi as part of our World Vision Project.

Year 13 Students building in Vanuatu.

Academic Success

In Term 1 we held two Full College assemblies celebrating academic success. The first was to recognise Senior College students who gained Colours and Honours in NCEA and IB exams. This was followed by an assembly recognising the Year 12 students who gained NZQA Scholarships and 4 or 5 individual Excellence Subject Endorsements. Academic Prefect, Andrew Chen spoke to the students at both these Assemblies. Andrew is an outstanding role model having represented New Zealand at the International Mathematic Olympiad in both 2017 and 2018.

Top Performing Year 13 Students received Academic Colours.

Sporting Success

Touch Premier Girls - 2017 National Title

Our girls beat Hamilton Girls in the New Zealand Secondary Schools final, winning 4-3.

Football Girls 1st XI - 2017 National Title

Our Girls Premier Football team earned three major titles during 2017: Auckland Premier Champions, Auckland Knockout Cup Champions and the New Zealand title.

Girls 1st XI Football - 2017 National Champions.

Rugby Boys 1st XV - 1A Auckland Final

Our 1st XV were winners of the 2017 1A Auckland title.

Hockey Boys 1st XI - Auckland Final Winners

In the final of the Auckland Boys' Hockey Championships, our Premier Boys' 1st XI Hockey won against Auckland Grammar (3-2) to secure the Auckland title in July 2018.

Performing Arts

Senior College Production

'The Phantom of the Opera'

Saint Kentigern College was the first school in New Zealand to perform this production to rave reviews from all who attended. It involved 25 staff and 136 students on and off the stage.

Students Harrison Griffiths (Y13) as The Phantom and Amelia Elliott (Y12) as Christine Daaé.

Middle College Production 'The Little Mermaid'

This year's Middle College Production involved a large number of students and staff with the key production team led by three Old Collegians, Ashton Brown (Debating), Morgan Heron (Dance) and Oliver Gilmour (Music). It was a very entertaining and high quality show.

Year 10 student, Chloe Haerewa as Ariel.

LOOKING FORWARD

Campus 20 Year Plan

In Term 3 the Trust Board will be deciding on priorities for building developments over the next 20 years. The Trust Board have wisely required:

- Clearly separated social areas for Middle College and Senior College.
- New buildings to be within the building zone preserving our current green spaces.

Campus Map 2018 and beyond.
